SUMMARY OF THE REASONS FOR DECISION:

The untitled video recording, also known as *10* is classified as:
Objectionable.

This is because the publication promotes and supports the exploitation of young persons for sexual purposes.

The video recording concentrates on filming young girls, who present as being aged between 15 and 17 years, for the purposes of sexual arousal and titillation. There is a particular focus on the girl's underwear and genitals, with some footage of the girls masturbating. The footage appears to be intended for use on the Internet.

This classification places a restriction on the freedom of expression outlined in the New Zealand Bill of Rights Act 1990. The result of the publication falling within the criteria of s3(2) of the Films, Videos, and Publications Classification Act 1993 is prescribed by law, in accord with Parliament's intention that publications to which s3(2) criteria apply should be banned so as to prevent injury to the public good.
